Cropland Cash Rents (per acre)	\$43.53	\$39.78	\$26.40

The Maryland Agricultural Statistics Service is an agency of the United States Department of Agriculture working cooperatively with the Maryland Department of Agriculture in the collection of statistical data for Maryland agriculture. Most data collection results from the voluntary cooperation of Maryland's farmers and other industry representatives. All published results are available through contact with the Maryland Agricultural Statistics office in Annapolis or through their website. Any questions or comments should be directed to Norman Bennett, State Director.
